AMENDMENT

Dear Sir:

IN THE CLAIMS:

Please amend Claim 1 without prejudice as follows:

insc 7
A1
1. (Amended) A portable radio telephone having an antenna which can be pivoted about an axis between a first position in which it projects from a surface of the telephone, and a second position in which it projects from a surface of the telephone, whereby the antenna may only pivot in a single plane and through an acute angle.

Please amend Claim 11 without prejudice as follows:

A2
11. (Amended) A portable radio telephone as claimed in claim [2] 5 wherein in the [first] second stable position the antenna is canted relative to a major axis of the main body portion.
